As of the printing, all restrictions in the state of NJ in regards to face covering and social distancing have been lifted.

## **I'm ready to book an event, what are my next steps?**

The next steps would be to contact the restaurant to confirm availability of the date and time. If the date is available then we will discuss with you the details of the gathering you are planning, and answer all your questions. We will discuss and select package options, then menu selections, additional details like beverage package and any special arrangements you may need can be discussed and finalized. Once all the details are taken care of, we will send you a contract and take a deposit. The event is only confirmed once a deposit has been processed.

Yes, we require a \$250 deposit in order to guarantee the event and the space.

The deposit amount will be deducted from your overall balance.

## **Is the Wine Room available for private dining or cocktails without having to participate in a food package?**

Yes, if there are no private events scheduled, the room is available for such gatherings or private dining with no minimum number of people required. There is a room rental fee of \$100 which we will process at the time of the booking.

## **When do you need to know the final head count?**

Your final guest guarantee is due 7 days before the event.

This is the count we will use for product purchases, staffing, billing, and floor plan purposes.

This is required at least 7 days prior to the day of the event.

## **What forms of payment are accepted?**
